Historical Sites On The Air

Join our community of Canadian Ham Radio operators and history enthusiasts as we activate iconic historic sites.

[Historical Sites On The Air](#)

A visit to “Shine 800 AM”

The site is said to have the largest AM transmitter in the Western Hemisphere. Seeing this high-power station was worth the effort.

AllStarLink is definitely worth a donation of time or treasure

Four years ago, approximately 2,000 nodes were logged into our servers at any one time. We are now seeing more than 10,000 nodes.
